

Volunteer Role Profile

Volunteer Role	Marsh Fritillary Recovery Summer Youth Volunteer
Volunteer Manager	Wales Marsh Fritillary Recovery Project Officer
Where you will be based	Outdoors

Why we want you

To be part of the Wales Marsh Fritillary Recovery Partnership Project, to help protect the Marsh Fritillary across its range in south and west Wales.

I fod yn rhan o Brosiect Partneriaeth Adferiad Britheg y Gors Cymru, i helpu i warchod Britheg y Gors ar draws ei hamrediad yn ne a gorllewin Cymru.

What you will be doing

- Site visits, butterfly surveys, habitat assessments and landowner liaison.
- Public engagement, helping run events, partner working and visits.
- Being part of a project legacy film, GIS mapping and social media content creation.
- Ymweliadau safle, arolygon glöynnod byw, asesiadau cynefinoedd a chyswllt â pherchnogion tir.
- Ymgysylltu â'r cyhoedd, helpu i gynnal digwyddiadau, gweithio gyda phartneriaid ac ymweliadau.
- Bod yn rhan o ffilm gwaddol y prosiect, mapio GIS a chreu cynnwys ar gyfer cyfryngau cymdeithasol.

The skills you need

- Enthusiasm and a good work ethic, able to commit to a minimum 10-days over the 6-week volunteer period.
- An interest in butterflies/wildlife and the environment.
- Desire to learn and improve identification skills.
- The ability and willingness to travel (own car/public transport).
- A reasonable level of physical fitness to access often uneven, marshy sites.
- Flexible and adaptable, due to changes in weather, schedules, unpredictable nature of the outdoor environment etc.
- Brwdfrydedd ac ethig gwaith da, y gallu i ymrwymo i isafswm o 10 diwrnod dros y cyfnod gwirfoddoli o 6 wythnos.
- Diddordeb mewn glöynnod byw / bywyd gwyllt a'r amgylchedd.
- Dyhead i ddysgu a gwella sgiliau adnabod.
- Y gallu a'r parodrwydd i deithio (eich car eich hun / trafndiaeth gyhoeddus).

- Lefel resymol o ffitrwydd corfforol i gael mynediad i safleoedd corsïog, anwastad yn aml.
- Hyblyg ac yn gallu addasu, oherwydd newidiadau yn y tywydd, amserlenni, natur anrhagweladwy yr amgylchedd awyr agored ac ati.

What's in it for you

- Develop or apply your knowledge of the Marsh Fritillary, the environment and conservation in Wales.
- Contributing directly to the scientific knowledge base of our butterflies in the UK.
- Receive informal training during the 6-weeks and potential for help with funding some future training.
- Improve/learn identification and survey skills.
- Improve your employability, learning from experts and professionals, gaining experience and networking within the conservation sector.
- See a variety of interesting sites and meet a range of likeminded people.
- Improve your CV and confidence, and find where your passions, interest and potential career path lies, with a flexible range of tasks and opportunities.
- Basic travel, sustenance and essential equipment costs are available to support your involvement over the course of the 6-weeks.
- Datblygu neu ddefnyddio eich gwybodaeth am Fritheg y Gors, yr amgylchedd a chadwraeth yng Nghymru.
- Cyfrannu'n uniongyrchol at sylfaen wybodaeth wyddonol am ein glöynnod byw yn y DU.
- Derbyn hyfforddiant anffurfiol yn ystod y 6 wythnos a photensial am gefnogaeth gyda chyllid ar gyfer hyfforddiant yn y dyfodol.
- Gwella / dysgu sgiliau adnabod ac arolygu.
- Gwella eich cyflogadwyedd, dysgu gan arbenigwyr a gweithwyr proffesiynol, ennill profiad a rhwydweithio o fewn y sector cadwraeth.
- Gweld amrywiaeth o safleoedd diddorol a chwrdd ag amrywiaeth o bobl debyg i chi.
- Gwella eich CV a'ch hyder, a darganfod ble mae eich angerdd, eich diddordeb a llwybr gyrfa posibl, gydag amrywiaeth hyblyg o dasgau a chyfleoedd.
- Mae costau teithio, cynhaliaeth ac offer hanfodol sylfaenol ar gael i gefnogi eich cyfranogiad dros y 6 wythnos.

Disclaimer

A timetable of available tasks and opportunities will be shared upon successful application and selection, however, due to weather and other factors, times, dates and activities may change, and flexibility will be required. We ask that you commit to a minimum of 10 days over the 6-week period, however there

will be the opportunity to do more than this and also continue volunteering beyond the 6-weeks. May involve accessing steep slopes, uneven ground, remote sites, and working with and around livestock.

Bydd amserlen o'r tasgau a'r cyfleoedd sydd ar gael yn cael ei rhannu ar ôl i chi wneud cais llwyddiannus, fodd bynnag, oherwydd y tywydd a ffactorau eraill, gall yr amseroedd, y dyddiadau a'r gweithgareddau newid, a bydd angen hyblygrwydd. Gofynnwn i chi ymrwymo i isafswm o 10 diwrnod dros y cyfnod o 6 wythnos, ond bydd cyfle i wneud mwy na hyn a pharhau i wirfoddoli ar ôl y 6 wythnos. Gall gynnwys ymweld â llethrau serth, tir anwastad, safleoedd anghysbell, a gweithio gyda da byw ac o'u cwmpas.
